Weather in SF Bay Area

Silicon Valley has a “Mediterranean” climate, with an average of 200+ sunny days a year. Highs are in the 80s with lows in the 40s.

City	Average Annual Precipitation	Fall	Winter	Spring	Summer
San Jose	14.9 inches	2.89 inches	8.43 inches	3.49 inches	0.09 inches

San Francisco's climate is characteristic of the cool-summer Mediterranean climate with mild winters and dry summers. Average weather is highs in the 60s and lows in the 50s

City	Average Annual Precipitation	Fall	Winter	Spring	Summer
San Francisco	20.78 inches	3.63 inches	12.31 inches	4.64 inches	0.20 inches

Brief Intro to Silicon Valley

Silicon Valley encompasses nearly all of Santa Clara and southern parts of both San Mateo and Alameda Counties. Silicon Valley and the city of San Jose are located on California's coast, in a valley of the Santa Cruz Mountains, south of the San Francisco Bay.

Major rivers and creeks flow through the area, keeping the soil rich. These include the Guadalupe River and Los Gatos Creek, the confluence of which is in downtown San Jose. Its mild climate and fertile soil prompted early settlers to call San Jose the "Garden City" located in the "Valley of Heart's Delight."

Silicon Valley's dramatic growth changed San Jose's character from fertile farmland to high-tech mecca. Known as the capital of Silicon Valley, San Jose is now the 10th largest city in the U.S. and the third largest in California.

Silicon Valley is an area of enterprise and innovation, home to many global high tech firms. Economic growth has brought affluence to San Jose and its surroundings, affording its citizens a high standard of living and a pleasant, low-crime environment.

Counties of Silicon Valley

Santa Clara County Cities (South Bay):
San Jose
Santa Clara
Sunnyvale
Cupertino
Mountain View
Los Altos
Palo Alto
Campbell
Los Gatos
Milpitas

San Mateo County Cities (Peninsula):
San Mateo
Menlo Park
Redwood City
San Bruno
San Carlos
Half Moon Bay

Alameda County Cities (East Bay)*:
Oakland
Alameda
Berkeley
Fremont
Hayward
San Leandro
Pleasanton
Dublin
Livermore

**LinkedIn provides shuttle services from the Alameda County areas to our Mountain View and Sunnyvale offices*

Transportation in Silicon Valley

Having a car is recommended because it will be the most reliable and convenient way to access the South Bay and commute to Mountain View and Sunnyvale. Public transportation in the Silicon Valley includes buses, CalTrain, Amtrak, and the light rail system. The light rail system and CalTrain link San Jose to the greater Bay Area. They are all generally safe and pleasant methods of travel with consistent schedules. **LinkedIn provides a free shuttle with WiFi for employees who live in Mountain View/Sunnyvale that commute to and from San Francisco.**

Bay Area Rapid Transit (BART)

BART is a system of above- and below-ground trains linking San Francisco and the East Bay.

Caltrain (Map)

Cal-Train runs along the Peninsula and links San Francisco with San Jose. Commuters from the Peninsula and South Bay areas may choose to use this option. **LinkedIn employees who use Caltrain to commute are offered a Caltrain pass for unlimited use between all Caltrain stations**.

Santa Clara Valley Transportation Authority (VTA)

VTA runs the buses and light rail systems in the South Bay. These routes stretch from the southern most part of the Silicon Valley up to the Mountain View and Sunnyvale area.

Housing & Shopping

Brief Intro to San Francisco

San Francisco is the cultural, commercial, and financial center of Northern California and the only consolidated city-county in California. San Francisco encompasses a land area of about 46.9 square miles on the northern end of the San Francisco Peninsula, which makes it the smallest county in the state. It has a density of about 18,187 people per square mile, making it the most densely settled large city in the state of California.

San Francisco is known for its cool summers, fog, steep rolling hills, eclectic mix of architecture, and landmarks, including the Golden Gate Bridge, cable cars, the former Alcatraz Federal Penitentiary, Fisherman's Wharf, and its Chinatown district. It has several nicknames, including "The City by the Bay", "Fog City", "San Fran", and “The City”.

With its formidable business and commercial center, world class restaurants, sights and attractions, as well as its diverse culture, San Francisco is considered by many as one of the world's most enticing places to live.

The city itself is relatively small with only around 825,800 residents.
The wider metropolitan area has a population of more than 1.8 million.

Neighborhoods in San Francisco

San Francisco is made up of interesting residential areas. Below are some helpful links to learn more about the neighborhoods and the highlights.

- Guide to SF neighborhoods
- SF Neighborhoods

Some of the more family friendly neighborhoods include:

- Outer Sunset
- Noe Valley
- Potrero Hill
- Glen Park

The neighborhoods which have more nightlife are:

- Mission
- Castro
- Marina

Transportation in San Francisco

There are two commuter rail transportation systems, Bay Area Rapid Transit (BART) and Cal-Train. There are also bus services to most outlying areas and shuttles to and from airports. Buses, trolleys, and taxis are also available as well as the famous downtown San Francisco cable car service. **LinkedIn provides a free shuttle with WiFi for Mountain View employees who commute to and from San Francisco.**

Cal-Train runs along the Peninsula and links San Francisco with San Jose. Commuters from the Peninsula and South Bay areas may choose to use this option. ***LinkedIn employees who use Caltrain to commute are offered a Caltrain pass for unlimited use between all Caltrain stations**.

Muni (San Francisco Municipal Railway)
With its network of trolleys, buses, cable cars, light rail, and underground trains, Muni provides the principle form of public transportation serving San Francisco and some of the suburbs.

Metro (Map)
The Muni Metro (subway) system is a network of underground trains, a modern light rail system, and streetcars.

Biking
San Francisco was ranked as the 2nd highest bike-friendly cities in the U.S. Many roads have designated bike lanes that make it easy to navigate the city.

LinkedIn Perks!

At LinkedIn, we offer competitive and attractive perks that make working at LinkedIn fun and exciting!

Food!: LinkedIn's cafes serve fresh and local, made from scratch breakfast, lunch, and dinner, and we have mini kitchens stocked with snacks and beverages– all at no charge. We also have 2 gourmet coffee bars in the Sunnyvale offices and 1 coming to the SF office soon!

PerkUp! Program: Flexible allowance you choose to spend on wellness (gym memberships, massages, personal trainer), childcare, and pet care.

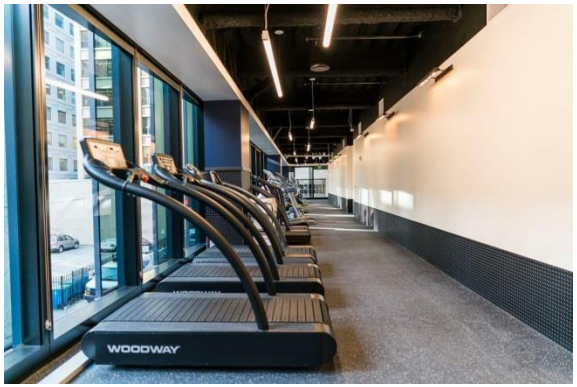

Education Reimbursement: We encourage employees to build skills and transform their careers by offering reimbursement of expenses, including tuition, class fees, course materials, and books, after successfully completing coursework.

401K Match: LinkedIn matches 50% of every dollar you put into your plan (up to the max contribution limit).

Wellness: LinkedIn gyms are located onsite at all SF Bay Area offices and are free of charge. We also offer fitness classes daily, including yoga, Zumba, Thai Boxing, & more.

WageWorks Commuter Program: LinkedIn offers a Commuter program providing tax-free parking and public transit if you commute to work using the bus, train, subway, ferry or streetcar. Vanpools with seating for six or more passengers are also eligible.

Time Off: LinkedIn provides 17 scheduled paid holidays each year as well as DTO (discretionary time off). DTO means there is no vacation accrual or set number of vacation days you can take per year. We have a company holiday shutdown from Dec 25-Dec 31.

Relocation Services Overview

LinkedIn is proud to partner with Altair Global to provide the highest quality of relocation services to our new employees. Below is an overview of the type of services we provide:

Program Component	Description
Temporary Housing	Temporary housing will be provided for up to 30 days.
Rental Car	Rental car for up to 14 days, if needed.
Travel to Destination Location	Travel will include the cost of flights, train tickets, or fuel, if driving to the destination location.
Paid Time Off	Paid time off will be provided to accommodate your move depending on destination.
Tax Assistance	For international moves, tax counseling and tax preparation services will be provided for the year of the move.
Immigration	Assistance with obtaining and extending necessary work permits and visas for employees and their eligible dependents. In locations where registration is required, assistance will be provided to cover necessary expenses.

As part of your relocation package, you will also be given Flex Allowance, a non-cash allowance, which provides the employee a selection of services to assist with relocation. Typical relocation services which can be requested as part of the Flex Allowance are:

- o Additional temporary housing
- o Extended car rental
- o Household goods shipment
- o Destination services
- o School selection assistance
- o Language or cultural training
- o Meals en-route
- o Spouse/Domestic Partner job assistance
- o Furniture purchases or rentals
- o Rent Deposits

Take Care!

We hope you found this guide useful as you prepare to visit or relocate to the SF Bay Area. For additional information and support, please reach out to your recruiter or contact @ Linkedin!
