What to Expect – Next Steps

Process & Getting Started

- Once you have signed your LinkedIn Offer/Contract, Altair Global (LinkedIn's preferred supplier) will reach out to you within two (2) to three (3) business days and set up an initial call to review your benefits.
- Altair's role is to ensure all of your services within the Baseline Benefits are coordinated and consult with you on how to best utilize your Flex Reimbursement Allowance.

Travel

- Your Altair Consultant will coordinate with BCD Travel, LinkedIn's preferred travel supplier for flight arrangements on your behalf (subject to availability and LinkedIn's travel policy guidelines).
- If you need to make any changes or have any problems, please connect with your Altair Consultant.

Please note: If you are working with our Immigration Providers and awaiting a visa or work permit, DO NOT make flight arrangements until the necessary work authorization(s) have been issued.

Temporary Housing

- As you confirm your travel dates, your Altair Consultant will assist you in making arrangements for your temporary housing (type of accommodations is based on length of stay and location availability). Your Consultant will provide you with a list of available accommodations for your review. Submit your preferred request as quickly as possible to ensure your first choice is still available.
- Temporary accommodations will be direct billed (where possible) or reimbursed to you through the Altair Star Portal.

Tax Consultation (International Relocations ONLY)

- Your Altair Consultant will coordinate with PwC Tax Services, to support your transition. You will receive a consultation with experts from your departure and destination countries.

Flex Reimbursement Allowance

- Altair will assist you in managing your Flex Reimbursement Allowance and will reimburse your relocation-associated expenses, as per our Reimbursement Allowance Covered List, from your LinkedIn start date in the new location.
- Altair can also assist you by connecting you with pre-approved vendors for other needed services. These services can include home or school search assistance, shipping, or reimbursements for relocation related purchases that will come out of your Flex Reimbursement Allowance.
- Please work with your Altair Consultant to get your expenses submitted and paid. Please note that it typically takes 3-5 business days for reimbursement (provided all needed paperwork is included).
